## **Lithium Americas Announces Filing of Canadian Base Shelf Prospectus and U.S. Shelf Registration Statement**

**Vancouver, Canada: Lithium Americas Corp. (TSX: LAC) (OTCQX: LACDF) ("Lithium Americas" or the "Company")** announced today that it has filed a preliminary short form base shelf prospectus in each province of Canada, other than the Province of Quebec, to qualify the distribution, from time to time over a 25-month period, of up to US\$500 million of the Company's debt and equity securities. The Company also filed a corresponding shelf registration statement with the U.S. Securities and Exchange Commission (the "SEC") on Form F-10 under the Multijurisdictional Disclosure System.

The terms of future offerings, if any, will be established at the time of such offerings. At the time any of the securities covered by the shelf prospectus are offered for sale, a prospectus supplement containing specific information about the terms of any such offering will be filed with applicable Canadian securities regulatory authorities and the SEC.

Tom Hodgson, CEO of Lithium Americas, commented, "While we have no immediate plans to raise capital, the shelf prospectus represents a prudent step to add financial flexibility and efficiently access capital markets as the Company pursues future growth opportunities in Argentina, Nevada and elsewhere."

The Canadian shelf prospectus has been filed with the securities commission or similar regulatory authority in each province of Canada other than Quebec, but remains subject to completion or amendment. The shelf registration statement on Form F-10 relating to the Company's debt and equity securities has been filed with the SEC but has not yet become effective. These securities may not be sold nor may offers to buy be accepted until a receipt for the final short form base shelf prospectus has been issued by the Canadian securities regulators and the registration statement has become effective. This press release does not constitute an offer of any securities for sale. A copy of the prospectus included in the registration statement may be obtained from the Company at the address below, on the SEC's website at [www.sec.gov](http://www.sec.gov), or in Canada at [www.sedar.com](http://www.sedar.com).

### **About Lithium Americas**
