

## Accountant/Senior Accountant Full-time Position

---

Lithium Americas Corp. (“LAC” or the “Company”) is a TSX and NYSE listed company advancing world-class lithium assets to production. LAC partnered with China’s largest vertically integrated lithium producer, Ganfeng Lithium, which has lithium supply agreements with Tesla, BMW and LG Chem, to build and operate the Cauchari-Olaroz lithium project in Argentina. In addition, LAC is focused on advancing the Thacker Pass project, which is a largest known US-based lithium project and is located in north-western Nevada, USA.

We are seeking an individual to join our medium size Vancouver Corporate Office to support our finance, accounting, legal and IR team in this newly created position.

Reporting primarily to the Assistant Controller, the Accountant will be responsible for full cycle accounting related to one of the Company’s subsidiaries and other accounting tasks assigned by the finance team. The successful candidate must have excellent communication and strong analytical skills. The position will commence in January/February 2019.

### Responsibilities

The successful candidate will be responsible for:

- Full cycle accounting of a Company’s subsidiary including journal entries posting, purchase orders, accounts payable, depreciation calculation, prepaids amortization, etc.
- Quarter-end- full cycle accounting process, reconciliation of GL accounts and compilation of the financial statements for the subsidiary
- Sales – invoices, posting customer payments, new customer reference check, etc.
- Monthly purchase order reports
- Internal control narratives update
- Supervise credit cards and expense reports reconciliations for Corporate office and subsidiaries
- Filing financial records and documents
- Processing bank entries and reconciliation of the bank statements
- Routine journal entries preparation and posting for Corporate office and subsidiaries
- Annual vendor, customer and account master file review
- More complex tasks depending on candidate’s experience

## Job qualifications

- CPA designation or working towards designation
- Demonstrated self-starter
- Proficient in Microsoft Office applications (Excel, Word, Outlook, PowerPoint)
- Experience with Sage Simply Accounting and/or SAP will be an asset but not mandatory
- Strong attention to detail
- Ability to prioritize, multi-task and work both independently and as part of a team
- Excellent written and verbal communication skills
- Strong analytical skills
- Strong work ethic and positive team attitude with the ability to show initiative
- Flexibility for varied work hours during busy periods
- Prior accounting experience
